

PROFILE

Professional Management Enterprises (PME) is a VIP certified SDVOSB offering Veterans a distinctive level of professionalism and genuine care. We bring rich experience in assisting multiple DoD clients in delivering mental health services via sound program and project management.

PME holds contracts throughout the country and supports nearly a dozen Federal agencies, including all branches of the DoD. Our streamlined organization establishes accountability for tasks and performance standards and our structure embodies lessons learned from our extensive military health care experience.

PAST PERFORMANCE

Department of Defense (DoD) Consolidated Adjudications Facility (CAF) Psychological Services 29 March 2017 - 28 March 2020

PME efficiently and cost effectively identifies and obtains professionals who can provide psychological services in support of DoD CAF mission. Psychological evaluations include a review of pertinent clinical/background investigative records in preparation for the evaluation; a face to face clinical interview with the subject; psychological testing as appropriate/clinically indicated and the creation of a report.

Indiana Army National Guard Behavioral Health Services

1 September 2016 – 31 August 2017

PME provided a full range of mental health professionals to include a PhD Psychologist, and seven social workers. PME mental health professionals evaluated, assessed, provided and managed treatment plans and initiated outside referrals to clients in the IN National Guard. Specific work included Veterans who have a diagnosis of Post-Traumatic Stress Disorder (PTSD), depression, drug and alcohol dependence, violent or suicidal behavior, panic and anxiety disorders, and military sexual trauma.

Carl R. Darnall Army Medical Center

1 October 2014 – 30 September 2019

PME provides personal and non-personal nursing services in support of the Military Treatment Facility (MTF) at Fort Hood, TX. All services provided are in accordance with established standards, principles, and ethics of the profession, The Joint Commission (TJC) standards, applicable DoD and Army specific regulations (Army Regulation (AR) 40-68 Clinical Quality Management), directives, and policies, and MTF specific policies, procedures, and job descriptions.

THE PME DIFFERENCE

PME boasts a results-driven group of healthcare professional recruiters with multiple years of experience in the health care staffing arena. We provide personalized attention and service with an organized style of delivery. Recruiter expertise leads to a higher success rate of offer acceptance, and our 95% retention rate guarantees provider consistency for our DoD clients. This experience means we can provide quality mental health providers geographically dispersed for as few as 2 hours per month, up to 160+ hours per month.
